1. The minimum number of participants for the event to break even and the maximum number of participants that were included in the budget presented to the council.

2. The council asks for a letter of support from a government entity to show that the bidder has the support needed for such an event in the location they envision.

3. Only beverages that are specifically budgetted are included in this list.

4. Main involved organisers are mentioned here. If you want more information about the committee, please approach an Interhash Council member.
